

PRODUCT CHECKLIST

RECOMMENDED CLIENT SUPPLIES

To ensure we provide the highest standard of service, we kindly advise our clients to have the following cleaning supplies and equipment available. Having the right tools helps us deliver an exceptional clean every time.

COLOR-CODED CLOTHS

Please provide more than one of each color for hygiene purposes.

☐	Blue	Kitchen areas
☐	Red	Toilets
☐	Green	Bathrooms
☐	Yellow	Dusting skirting boards, mirrors, etc.
☐	White	Outside front door

CLEANING SOLUTIONS

- Antibacterial wipes
- Kitchen cleaning spray or multi-surface spray
- Bathroom cleaning spray or multi-surface spray
- Limescale remover spray
- Toilet cleaner (and a brush for each toilet)
- Furniture polish
- Window / glass cleaner
- Floor cleaning liquid or floor wipes*

ESSENTIAL EQUIPMENT

- Kitchen roll
- Sponges & Toothbrushes
- Bin bags
- Rubber gloves
- Mop and bucket
- Dustpan and brush
- Long-handled duster
- Vacuum and replacement bags (if applicable)

Storage Recommendation: We highly recommend providing a dedicated box to keep everything in, with specific space allocated in a cupboard. This ensures the cleaning professional always knows exactly where to find the supplies.

**Note on Laminate Flooring: Unless using a steaming machine, laminate flooring may require a specialized laminate cleaning solution and a flat mop.*
